Survey Instructions

In this survey you will be asked questions about your personal contact network. We estimate that it will take around 30 minutes to complete this survey, though for some people it may take a bit longer. You can always save your results and then return to the survey later by clicking on the link in the email we sent you.

This survey is very similar to one you took prior to coming to Notre Dame, and its purpose is to obtain a description of how your social network has changed since arriving at Notre Dame last August. This is important information that we will need to understand how social networks change with the transition to college.

All information that you provide to us through this survey is confidential. In all reports and presentations individuals will not be identifiable. Also, no one will see your answers except the researchers involved in the NetSense project.

We know you are very busy this week, but we would very much appreciate it if you could find the time to complete this survey prior to your arrival at Notre Dame.

When taking the survey you can return to previous pages by clicking the “Previous” button at the bottom of a page. Please do not use your browser’s “Back” button.

Thank you for taking the time to carefully answer these questions. If you have any questions please email us at netsense@nd.edu.
